Meeting called to order at 9:15AM

Guests: Gerri Martin, Rose Halligan and Robert Preuss

Discussion Issues:

1. Metra Station, discussion ensued: Metra Station security cameras.
Homeless using the Station as a warming shelter.
It was suggested that more police patrolling around the station is necessary.
Parking Lot at the Station needs a clean up
2. Waste Management discussion ensued: Waste Management workers have been discarding lids to trash containers along with the trash.
Some Waste Management workers will not remove a heavy article unless given a monetary tip.
These improper work habits have been noticed on the north side of town.
3. Parks & Recreation Commission Discussion ensued: Gerri Martin gave President Stuepegia an application for the P&R commission.
President Stuepegia stated that she has received 2 applications for the P & R Commission to date.
4. Discussion ensued: on winter warming trend with rain, that caused residential basement seepage, yard and street flooding on 12/28/08. President Stuepegia praised the residents for removing the leaves from the street drains, which allowed for faster drainage and less water backup
5. Mr Robert Preuss presented a memo to the village board pertaining to the area around 27 W. Park Blvd.
6. Adjournment
