PRESS RELEASE

Villa Park Severe Storm Recovery Process

April 18, 2013

The Village of Villa Park is in the process of recovering from the severe storm which occurred on April 18, 2013. The the water levels continue to recede from the heavy flooding that occurred today, however some roadways may be blocked, partially blocked or have debris in them. Please continue to use caution when driving. There is a flash flood warning until 8pm this evening.

The Village of Villa Park will have a formalized plan for debris and garbage clean up to be released by 12:00 pm on Friday, April 19th. This information will be posted on the Village Web Site, NIXLE and via press release.

Please contact the Village Hall at (630) 834-8500 if you have any issues to report. If you have an emergency please call 911.
