FOR IMMEDIATE RELEASE

**VILLA PARK, IL** – The Village of Villa Park wishes to remind those using the Villa Park Metra Station of protocol regarding both daily and permit parking.

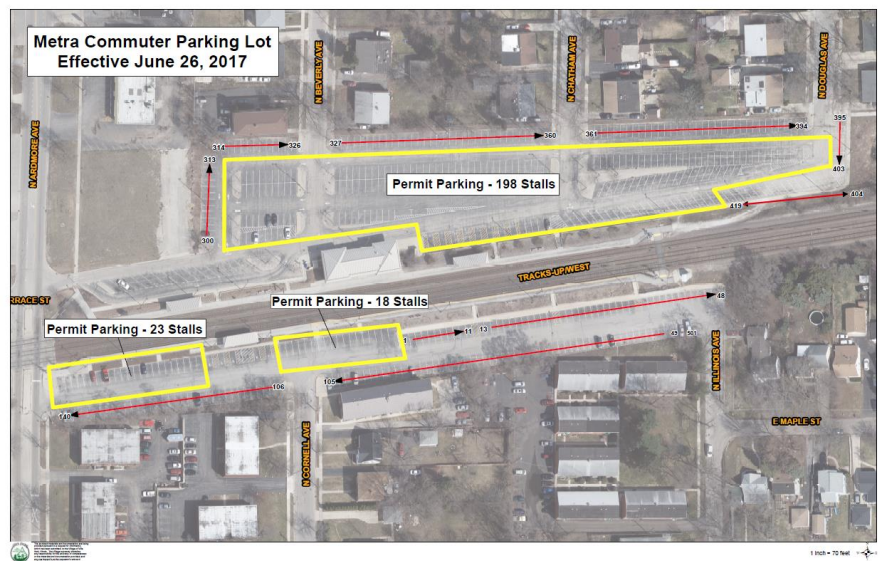

Numbered daily parking spots and non-numbered quarterly permit spots are available in both the north and south lots. The flat rate for daily parking is \$2/day, while a quarterly parking permit costs \$100/quarter.

The flat daily rate can be paid at the onsite parking machine in the north lot or through the Passport Parking app (Zone 313). Alternatively, commuters can purchase a quarterly parking permit by filling out [this application](#) and submitting it, along with the \$100 payment, to Village Hall. We recommend, due to greater availability of quarterly permit spots relative to daily spots, that those who commute daily apply for the quarterly parking permit.

Quarterly period dates are as follows:

November 1 – January 31  
February 1 – April 30  
May 1 – July 31  
August 1 – October 31

Please note that, effective since June 26, 2017, monthly permit holders are NOT authorized to park in designated numbered daily pay spots in either lot.

Feel free to refer to the map above, which outlines where permit and daily spots are located in both lots.
