

**PRESS RELEASE**

**Villa Park Police Hosts S.A.L.T. Meeting**

**February 1, 2013**

The Villa Park Police Department is pleased to announce that the next scheduled quarterly meeting for S.A.L.T. (Seniors And Law Enforcement Together) will be held at the Wildwood Community Center located at 320 East Wildwood Avenue, Villa Park, Illinois on Wednesday, February 13, 2012 at 11:00 A.M. Residents and guests are invited to arrive at 10:30 A.M. to meet with other area residents over coffee and pastries. Again, we express our sincere gratitude to our friends at the Senior Concerns Commission, who have come out and supported our group and provided a special luncheon after the December meeting.

As reported January 24, 2013 in a Villa Park Argus news article titled, Villa Park police offer special division, reported by Sarah Small of [mysuburbanlife.com](http://mysuburbanlife.com), Villa Park's population of residents over sixty-five years of age represents nearly fifteen percent of the community's population. Keeping that figure in mind, a survey will be disseminated at the meeting offering residents an opportunity to explore and consider what types of activities, services, and facilities would be beneficial for this unique demographic unit of our community. Additionally, residents present will have an opportunity to meet some of the Police Department's personnel specially-trained in providing elderly services.

Since resources are an important consideration for every community, we are pleased to announce that the meetings' agenda includes a special presentation by Library Director Sandy Hill of the Villa Park Public Library. Ms. Hill will be providing an overview of useful resources and helpful services available at the library. As always, we look forward to meeting with members of our community at this presentation. Please feel free to direct any Elderly Service inquiry or arrange to meet with one of the Department's specially trained Elderly Service Officers to Sergeant Tyson Johnson at the Villa Park Police Department, (630)834-7447.
