- Place the grill at a safe distance from the house, deck railings, leaves, and branches.
- Keep children and pets at least three feet away from the grill area.
- Keep your grill clean by removing grease and fat buildup from the grates and trays below the grill.
- Never leave your grill unattended.
- Make sure the gas grill lid is open before lighting it.
- If using starter fluid for charcoal grills, use only charcoal starter fluid.
- After grilling, allow the coals from a charcoal grill to cool completely before disposing of them in a metal container.
