## APPENDIX D – BUDGET GLOSSARY

VILLAGE OF VILLA PARK, ILLINOIS

2020

The Budget contains specialized and technical terminology that is unique to governmental finance and budgeting. To assist the reader of the Budget document in understanding these terms, the following budget glossary has been prepared:

### **Abatement**

A complete or partial cancellation of a levy imposed by a government. Abatements usually apply to tax levies, special assessments and service charges.

### **Acronyms:**

CATS – Chicago Area Transportation Study  
CMAQ – Congestion, Mitigation and Air Quality  
GFOA – Government Finance Officers Association of the United States and Canada  
IDOT – Illinois Department of Transportation  
IGA – Intergovernmental Agreement  
IGFOA – Illinois Government Finance Officers Association  
IMRF – Illinois Municipal Retirement Fund  
L.U.S.T. – Liquid Underground Storage Tank  
OSLAD – Open Space Lands Acquisition and Development  
P.E.G. – Public, Educational, & Governmental access fees  
SASED – The School Association for Special Education in DuPage County  
S.C.S.D. – Salt Creek Sanitary District  
STP – Surface Transportation

### **Accountability**

The state of being obliged to explain one's actions, to justify what one does. Accountability requires governments to answer to the citizenry to justify the raising of public resources and the purposes for which they are used.

### **Accounting System**

The methods and records established to identify, assemble, analyze, classify, record and report a government's transactions and to maintain accountability for the related assets and liabilities.

### **Accrual Basis**

A basis of accounting in which transactions are recognized at the time they are incurred, as opposed to when cash is received or spent.

### **Activity**

A specific and distinguishable service performed by one or more organizational components of a government to accomplish a function for which the government is responsible (e.g., police is an activity within the public safety function).

### **Ad Valorem Tax**

A tax based on value (e.g., a property tax).

### **Agency Fund**

A fund normally used to account for assets held by a government as an agent for individuals, private organizations or other governments and/or other funds. The agency fund also is used to report the assets and liabilities of Internal Revenue Code, Section 457, deferred compensation plans.

### **Annual Operating Budget**

The portion of the budget that pertains to daily operations that provide basic governmental services. The operating budget contains appropriations for such expenditures as personnel, supplies, utilities, materials, travel and fuel.

### **Asset**

A probable future economic benefit obtained or controlled by a particular entity as a result of past transactions or events.

### **Appropriation**

A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation usually is limited in amount and time it may be expended.

### **Appropriation Ordinance**

An ordinance through which appropriations are given legal effect.

**Assessed Valuation**

A valuation set upon real estate or other property by a government as a basis for levying taxes.

**Audit**

A systematic collection of the sufficient, competent evidential matter needed to attest to the fairness of management's assertions in the financial statements or to evaluate whether management has efficiently and effectively carried out its responsibilities.

**Basis of Accounting**

A term used to refer to when revenues, expenditures, expenses, and transfers-and the related assets and liabilities-are recognized in the accounts and reported in the financial statements. Specifically, it relates to the timing of the measurements made, regardless of the nature of the measurement, on either the cash or the accrual method.

**Bond**

Most often, a written promise to pay a specified sum of money (called the face value or principal amount), at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

**Budget**

A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Used without any modifier, the term usually indicates a financial plan for a single fiscal year.

**Budget Awards Program**

A voluntary program administered by the GFOA to encourage governments to publish budgets that reflect the commitment to meeting the highest principles of governmental budgeting.

**Budget Officer System**

A system adopted by the State of Illinois in 1969 in an effort to improve financial reporting of municipalities.

**Budgetary Control**

The control or management of a government or enterprise in accordance with an approved budget to keep expenditures within the limitations of available appropriations and available revenues.

**Budget Message**

A generally discussion of the proposed budget as presented in writing by the budget-making authority to the legislative body.

**Capital Budget**

A plan of proposed capital outlays and the means of financing them.

**Capital Expenditures**

Expenditures over \$10,000 that result in the acquisition of or addition to the government's general fixed assets.

**Capital Improvement Program**

A plan for capital expenditures to be incurred each year over a fixed period of years to meet capital needs arising from the long-term work program or other capital needs.

**Capital Projects Fund**

A fund created to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds).

**Certificate Of Achievement For Excellence In Financial Reporting Program**

A voluntary program administered by the GFOA to encourage governments to publish efficiently organized and easily readable CAFRs/CUFRs and to provide technical assistance and peer recognition to the finance officers preparing them.

**Commodities**

Items used in the day to day operations of the department or division such as office supplies, photo supplies and tools. Commodities are expected to be used up during normal Village operations.

**Consumer Price Index (CPI)**

A statistical description of price levels provided by the U.S. Department of Labor. The index is used as a measure of the increase in the cost of living.

**Contractual Services**

Services rendered to Village departments and agencies by private firms, individuals or other government agencies. Examples include utilities, insurance, and professional services.

**Corporate Fund (also called General Fund)**

The fund used to account for all financial resources, except those required to be accounted for in another fund.

**Debt Limit**

The maximum amount of outstanding gross or net debt legally permitted.

**Debt Service**

The Village's obligation to pay the principal and interest of bonds and other debt instruments according to a predetermined payment schedule.

**Debt Service Fund**

A fund or funds established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

**Deficit**

(1) The excess of the liabilities of a fund over its asset. (2) The excess of expenditures over revenues during an accounting period or, in the case of proprietary funds, the excess of expenses over revenues during an accounting period.

**Department**

A major administrative division of the Village which indicates overall management responsibility for an operation or group of related operations within a functional area.

**Depreciation**

The portion of the cost of a fixed-asset charged as an expense prorated over the estimated service life of such an asset.

**Division**

A segment of a department that is assigned a specific operation.

**Enterprise Fund**

A set of self-balancing accounts used to account for activities similar to those found in the private sector, where the determination of net income is necessary or useful to sound financial administration. The Water, Wastewater and Parking Funds are enterprise funds.

**Equalized Assessed Valuation**

The assessed valuation of a property increased by a multiplier established by the Illinois Department of Revenue which is intended to increase the total assessed valuation of all property in the County to a level that is equal to 33-1/3% of market value.

**Expenditure**

This term refers to the amount of funds paid or to be paid for obtaining an asset, goods, and services. For budget purposes, the term expenditure applies to all costs or expected commitments.

**Equity Accounts**

Those accounts presenting the difference between assets and liabilities of the fund.

**Expense**

The term expense is used in full accrual accounting to report decreases in net total assets.

**Fiscal Year (FY)**

The time period designated by the Village signifying the beginning and ending period for recording financial transactions. The Village of Villa Park has specified January 1 to December 30 as its fiscal year effective 2019.

**Fixed Assets**

Assets of long-term character which are intended to continue to be held or used, such as land, buildings, machinery, furniture and other equipment.

**Formal Budgeting Integration**

The management control technique through which the annual operating budget is recorded in the general ledger through the use of budgetary accounts. It is intended to facilitate control over revenues and expenditures during the year.

**Fund**

An accounting entity with a set of self-balancing accounts that is used to account for financial transactions for specific activities or government functions. Seven commonly used funds in governmental accounting are: the general fund, special revenue funds, debt service funds, capital project funds, enterprise funds, internal service funds and trust and agency funds.

**Fund Balance**

Fund balance is the excess of assets over liabilities. The unreserved fund balance is the amount available for appropriation.

**General Fund**

The fund used to account for all financial resources, except those required to be accounted for in another fund. Sometimes referred to as Corporate Fund.

**General Obligation Bonds**

Bonds that finance a variety of public projects such as streets, buildings and improvements, and which are backed by the full faith and credit of the issuing government.

**Grants**

Contributions or gifts of cash or other assets from another government to be used or expended for a specified purpose, activity or facility.

**Interfund Transfers**

The movement of monies between funds of the same governmental entity.

**Intergovernmental Revenues**

Revenues from other governments in the form of grants, entitlement, shared revenues or payments in lieu of taxes.

**Levy**

To impose taxes, special assessments or service charges for the support of government activities. The total amount of taxes, special assessments or service charges imposed by a government.

**Liabilities**

Probable future sacrifices of economic benefits, arising from present obligations of a particular entity to transfer assets or provide services to other entities in the future as a result of past transactions or events.

**Line-Item Budget**

A budget that lists each expenditure category (salaries, office supplies, telephone service, copy machine costs, etc.) separately, along with the dollar amount budgeted for each specified category.

**Long-Term Debt**

Debt with a maturity of more than one year after the date of issuance.

**Measurement Focus**

The accounting convention that determines (1) which assets and which liabilities are included on a government's balance sheet and where they are reported there, and (2) whether an operating statement presents information on the flow of financial resources (revenues and expenditures) or information on the flow of economic resources (revenues and expenses).

**Modified Accrual Accounting**

Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e. when they become both measurable and available). Expenditures are recorded when the related fund liability is incurred).

**Non Capital Expenditure**

An expenditure that would normally be classified as a capital expenditure, but under the capitalization threshold of \$10,000.

**Object**

As used in expenditure classification, applies to the article purchased or the service obtained, rather than to the purpose for which the article or service was purchased or obtained (e.g., personal services contractual services, materials and supplies)

**Operating Transfers**

All interfund transfers other than residual equity transfers (e.g. legally authorized transfers from a fund receiving revenue to the fund through which the resources are to be expended).

**Ordinance**

A formal legislative enactment by the governing body of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Ordinarily, the statutes or charter will specify or imply those legislative actions that must be by ordinance and those that may be by resolution. Revenue raising measures, such as the imposition of taxes, special assessments and service charges, universally require ordinances.

**Per Capita Debt**

The amount of a government's debt divided by its population. Per capita debt is used to indicate the government's credit position by reference to the proportionate debt borne per resident.

**Reserve**

An account used either to set aside budgeted revenues that are not required for expenditure in the current budget year or to earmark revenues for a specific future propose.

**Retained Earnings**

An equity account reflecting the accumulated earnings of an enterprise or internal service fund.

**Revenue**

Monies that the Village receives as income. It includes such items as tax payments, fees from services, receipts from other governments, fines, reimbursements, grants, shared revenues and interest income.

**Special Assessments**

A compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

**Special Service Area**

A financing technique used to finance special services and special improvements desired by a specific area of the Village. A tax is levied only on the particular area that will receive the special service or improvement.

**Tax Rate**

The amount of tax levied for each \$100 of assessed valuation.

## **APPENDIX D – ECONOMIC INCENTIVE AGREEMENTS**

---

The Village is party to several economic incentive agreements. These agreements are based on the Village's desire to ensure economic vitality of various commercial corridors by attracting and retaining key businesses or developing underperforming properties. All agreements are performance based, sharing sales (or other) taxes based on different criteria and limitations. Pertinent details of each agreement and past performance is noted on the following pages.
