

COVID-19 UPDATE

NOVEMBER 20, 2020

Tier 3 Resurgence

With the COVID-19 spread now exponential in every region of the State of Illinois, the statewide positivity rate at record highs and hospitalizations surpassing the spring peak, all 11 regions have moved from Tier 2 to Tier 3 effective **Friday, November 20, 2020**.

While the state is in Tier 3, no indoor recreation programs will be held with the exception of Preschool and Funtime Junction Daycare under careful guidance of DCFS and IDPH. Recreation Staff is planning for the winter season beginning in January for in-person programming. In the meantime and just in case Tier 3 lingers into January, the staff is compiling virtual programs and outdoor sports options that comply with Tier 3 Mitigation protocols.

During Tier 3 The Community Recreation Building (325 E. Wildwood Street) is closed to the public as is the Iowa Community Center (338 N. Iowa Avenue).
